Dear *All Principals.*

Today, on the very first day of taking new assignment and challenges in the new role of Deputy Commissioner in NVS, Bhopal Region, I extend my greetings to all of you and wish a phenomenal success in every sphere of life.

As you know well that educating our rural children, boys and girls, is a noble cause of social transformation. It's a great thing to do. I believe well that our students are talented and potential learners but many of them may have their obvious limitations. They exclusively depend on you for their board & lodge, schooling and personality development. This is a special feature of Navodaya which is not so in other education system. Hence your onus is far more than your counterparts in other schools. Therefore you ought to be a true teacher in letter and spirit at every awakened moment of your life.

The success history of JNVs under Bhopal Region attributes mostly to the dedication, devotion of the Teachers and the Principals who restlessly offered services to achieve the target fix by NVS, though there were many constraints like shortage of staff especially teaching staff, accommodation, water and proper electricity supply etc. in the JNVs situated in the remote areas of the district.

In the past, the Region has been able to reach new heights in every field, be it academics, games and sports or discipline in general. Let us remember that if achievement is taken as a goal in itself, it is bound to be followed by decline and fall. Achievement has to be sustained as a process, which requires our relentless effort and indomitable **will**. Our past experience affirms that our Principals can excel in both these qualities. Come forward, let's gird up our loins and take on the new challenges and explore newer heights. "Readiness is all"!

On our part, we are always with you and will happily try to sincerely solve your difficulty if you have any in way of your

accomplishing the above task. Please feel free to ask us to do so and continue to do good work wholeheartedly.

Sincerely yours,

(Mridula Tripathi)

Deputy Commissioner
Navodaya Vidyalaya Samiti
Regional Office, Bhopal (M.P.)-462024.
