EXCEL TO EXCELLENCE

"learning gives creativity, creativity leads to thinking, thinking provides

Knowledge, knowledge makes you great"- A.P.J. Abdul Kalam

With the aim of achieving "greatness" Navodaya Vidyalaya Samiti, Jaipur Region was established in the year 1986. Since then we have lightened up the centres of "creativity" the 58 JNV in Rajasthan, Haryana, & Delhi. To have a reach in each district of the three states in our aim. Each JNV of our is a hub of knowledge. RO Jaipur caters all administrative and monitoring needs. We are there any hour of the day to provide guidance, assistance, infrastructure and planning to our "centres of greatness".

We have successfully executed the idea to provide modern and quality education to rural talent. The bigger challenge of running our education institution as both co-education and residential system has been successfully achieved.

Our alumni has come out with flying colours. The all round development that they achieve in JNVs make them mentally sound, physically strong, emotionally balanced, socially useful human beings a perfectly nurtured citizen. Our alumni is an inspiration and pride not only for us but for the nation and the humanity.

Navodaya Vidyalaya Samiti, Jaipur Region is one of the best of its 8 Regions. Its remarkable contribution has been recognized repeatedly at various venues.

We are a way ahead not only providing opportunities to our students but also our indispensable teachers and staff. Various training programmes are being run to equip them with latest tools & techniques to keep in pace with the world.

Under the superior guidance of our Honorable Commissioner our pace and achievements have enhanced manifold. Our entire team is filled with immense encouragement and zeal "But I have miles to go before I sleep"- Robert Frost.

I believe that the website shall prove to be a catalyst in the growth of our Jaipur Region. It provides a comprehensive view into the working of our system and shall cater to all requirements of the viewers. Every suggestion shall prove to be stepping stone.
