To achieve these two major objectives, Jawahar Navodaya Vidyalayas are striving hard under the aegis of the Navodaya Vidyalaya Samiti . Jawahar Navodaya Vidyalayas are established to provide good quality modern education including a strong component of cultural, inculcation of values, awareness of environment , adventure activities and physical education. In order to achieve these objectives of excellence coupled with equity, to promote national integration and provide opportunities to the talented children to develop their full potential, it is imperative on the part of the Navodaya Vidyalaya Samiti to evolve a process of all round development of the individuals. New program and innovative practices and activities are being organized as part of curriculum transaction in these institutions are able to achieve the objectives cherished by NVS, which require a constant appraisal of students learning as well as impact of instructional strategies to get the desired feedback about the pupils' achievements and effectiveness of the instructional strategies. This is possible only when there is continuous comprehensive evaluation undertaken by teachers themselves recommended in the National Policy of Education and NCF 2005.

ABOUT THE VIDYALAYA

The dynamism and vision of our late Prime Minister Sh. Rajiv Gandhi, took a concrete shape in 1986 with the established of Navodaya Vidyalaya. Navodaya Vidyalaya are residential, co-educational institutions which are established in almost each district of the country to provide good quality modern education.

Mahoba is a newly constructed district of U.P.. it is the smallest district of U.P., Education and financial position is not strong due to natural calamities like frequent droughts and floods. JNV Mahoba was established in 1994 and was inaugurated by Honorable HRD minister Late Arjun singh ji in on 18.04.94 Earlier it ran on temporary site that was known as “Khanna Valo ki Dharamshala”, presently known as Muluk Vivah Ghar. It was shifted in permanent site on 1998. Gradually it established and proved itself to be the landmark of education in whole district overcoming different obstacle like lack of water, electricity, human resources . It is leading ahead day by day Today it has computer wing with about 40 computers, 40 laptop and 40 tablets are available. Efficient regular teaching and office staff are working day and night to add more feathers, playground , good mess, 25 KVA generator, Hostels, smart classroom are available. First batch of 80 students of class XII passed out in 2002. we have two streams science and commerce.

Our students are marking record in each and every field . The names on display board are self explanatory we have Co-education system. The school has faced a lot of ups and down in spite of all these things, it has proved itself to be the best Co-educational institute of the Mahoba district.
