**Dy. Commissioner,
NVS RO Bhopal**

Navodaya Vidyalaya Samiti, Regional Office, Bhopal

EXPRESSION OF INTEREST

TERMS & CONDITION FOR BIDDING

The Vigyan Jyoti Project is duly sponsored by Dept. of Science & Technology (DST) for promoting interest among the selected girl students in the field of Science. In order to facilitate academic excellence through online classes Agencies already having the experience in this field are invited to empanel them to deliver online academic additional support for scholars of Classes XII (Phase II) and XI (Phase III). It is aimed to hire the academic support agencies which will help them with clarity in concepts and skill to face the competitive examinations. This is an endeavor to provide them the best in class exposure and academic support towards competitive examinations with specialized experts.

Department of Science and Technology, Government of India has sanctioned the project “VigyanJyoti” to Navodaya Vidyalaya Samiti for an enriched support to girl students through JNVs with specific focus on improving their increased participation in pursuing STEM as a prospective career. Main features of the project are as below:-

- Vigyan Jyoti initiative will provide a smooth journey to meritorious girl students right from School level till career in S & T.
- JNVs will act as Vigyan Jyoti Knowledge Centres (VJKC) to cater to around 50 girls from each centre belonging to JNV and nearby centrally funded Schools for more diversity in STEM. The programme will be conducted for girl students of class XI and XII.
- Monthly activities under Vigyan Jyoti program include the followings :
 - a) Science Camp
 - b) Visit of KPs
 - c) Workshop at ATL
 - d) Interaction with Role Model
 - e) Student-Parents Counselling
 - f) Visit of other R&D Lab/Industry/NGO
 - g) Lectures (6-8) / special classes

To address this pertinent issue, JNVs have been set as Centres to provide high quality education to the students at the Senior Secondary level, especially to the students from underprivileged backgrounds in the District. This initiative also hopes to attract ambitious and talented students in the JNVs and nearby Govt. schools who otherwise would not have access to specialized coaching.

01. The Area and Scope for Academic Support:

Offer of expression of interest is invited by N.V.S. RO Bhopal from the eligible agencies for Academic support for the girls students of Vigyan Jyoti based on following Terms & Conditions, Area & Scope along with eligibility criteria and other requirements as given below:-

The Area of Scope for Academic Support Agencies is to deliver online academic support for class XII and XI is proposed as follows and to be included in Technical Bid Document:

- a. Online classes will be provided to students studying in Class XII and Class XI towards preparation for National level/State level Engineering/ Medical entrance examinations such as JEE Mains, JEE Advanced, NEET, AIIMS etc. The medium of delivery of content should be in a language which fulfils the needs of students. It can be bilingual / Hindi/ English.
- b. The classes will include Live classes (pre-recorded sessions not allowed) an interactive board with help of images, GIFs etc. to help understand concepts in a better way.
- c. The best quality study material including Assignments in the form of both soft and hard copy will be provided to students (viz. notes, assignments, quizzes, question banks & e-archives etc.).
- d. In Live Online Classroom Programs, students will get dedicated live doubt clearing sessions. Agencies shall keep enough time to attend the queries of students.
- e. Online Parent-Teacher Meeting (E-PTM) which is an integral component of Live Online Classroom Programs. Agencies will provide suggestions and feedback once in every month.
- f. The online academic support will be provided through web-based latest technology. The technology should be user friendly and seamless to the children to attend the online classes through Laptop/PC/TAB/Mobile, etc. from home or JNV. Also, recorded lectures will be provided to students who miss live classes.
- g. The technology should facilitate two-way communication between children and faculty through video, voice, and text also. Along with the live lectures, students will have the facility to ask doubts to get a better insight in to the various concepts.
- h. The online classes will be organised for the subjects Physics, Chemistry, Math and Biology only covering Board syllabus as well as complete syllabus of IIT-JEE/NEET/KVPY.
- i. Agencies will categorise students into 3 groups based on performance :
 - 1) Category 1- High Potential (Aiming for advanced and for AIIMS and Reputed Medical Colleges)

- 2) Category 2- Medium Coverage (Aiming for only Mains /NEET & State Medical College)
 - 3) Category 3 – Average level Potential (Focus on some other courses from Basic Sciences)
- j. Grading of JNVs is to be done by the agencies based on the performance and participation of the students

02.Career Counselling

The academic support facility will be provided to Girl students of Vigyan Jyoti. Counselling session will be the part of contract. It will include counselling sessions on psychological, Career oriented and boosting self-confidence and self-belief.

03.Additional Area & Scope of Academic Support

The following facilities should also be provided by the selected Academic Support Agency as part of Online Classes as additional area and Scope and will be the part of Technical Bid:

- a) **Online Testing:**
 - Class Tests in form of quiz
 - Regular Online Topic-wise Internal Common Tests and Assignments
- b) **All India Internal Test Series:** These tests make students acquainted with a diverse set of examination patterns and alongside confer them with their National level performance ranking in the respective patterns. Tests will be based on the common minimum syllabus of class XII and XI as per School Integrated Programs.
- c) **Chapter-wise Practice Problems:** On each chapter students will be given chapter practice problems which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty members and then would be returned to the students with remarks and suggestions, thus helping every student to have a very strong command over fundamental conceptual knowledge, which is very crucial for getting Top ranks.
- d) **Class Learning Improvement Program:** Attempts will also be made to further help them get a higher Rank/ performance in JEE (Main & Advanced) & Other Engineering Entrance Exams and NEET through Class Learning Improvement Program for those who have completed all assignments.
- e) **All India Computer Based Test Series:** To be conducted at the National Level on the present & expected pattern of NEET/ JEE (Main & Advanced).
- f) Practice Mock Test Papers for XI- XII Board Exam which will include the following:

- (i) **Video archives:** All recordings of the live classes would be available to the student for revision purpose. The students may watch the recordings as and when they wish without any limitations.
- (ii) **Study material:** The regular study material of the coaching institute for their regular classroom coaching should also be provided to the students of Vigyan Jyoti in soft as well as hard copy on exact cost to cost basis for both classes XI and XII. The class XI student will get study material and Assignments related to class XI and XII (2 sets at a time) and class XII student will get study material and Assignments related to class XI and XII (2 sets at a time) and both sets will have to be provided in Soft and Hard. Assignments and answer key can be given later on as and when the particular topic is covered.
- (iii) **Online doubt sessions:** Facility of online doubt session shall be provided.
- (iv) **Weekly practise test:** Weekend Test subject –wise have to be conducted as part of continuous assessment. The efforts should be taken to conduct Periodic tests.
- (v) **Academic Help desk:** A single point of contact shall be assigned to students with whom they can share their learning difficulties or related requirements, if any.
- (vi) **Students’ performance:** Students’ performance in each test shall be shared with the JNV Principals to ensure that parents are regularly updated.
- (vii) **Online Test Series for NEET/ JEE Main + JEE Advanced + KVPY** online testing Platform

g) Performance Analysis and Feedback

- Online LIVE Test Analysis
- Rank Potential Index for each student
- Preparation of Dashboard for Students, teacher, school and NVS wherein student should be able to get feedback about her responses Concept wise, Question wise, Area wise and Subject wise.

04. ELIGIBILITY CRITERIA FOR SELECTION OF AGENCIES FOR ACADEMIC SUPPORT CLASSES

The following factors will be considered for selection of the agencies for academic support classes:

- (a) Professional presence and five years of academic experience on similar line will be required (Copy of registration & other related documents will be obtained).
- (b) The bidding agency must have a high success ratio in competitive examinations. The details for the last five years will be considered, i.e., 2016-17 to 2020-21.
- (c) Last 5 Years (2016-17 to 2020-21)-Optimum batch size and Student Teacher ratio separately for online and offline classes may be obtained (Documentary proof will be obtained).

- (d) The bidding agency must be training more than 5000 students (through physical and online classes) per year for various competitive examinations throughout the nation having their centres. The details for the last five years will be considered, i.e., 2016-17 to 2020-21.
- (e) Number of selections in IIT (Mains and Advance), NEET and KVPY for last 5 years (2016-17 to 2020-21) with evidence.
- (f) Success Ratio in JEE Advanced, NEET& KVPY– Calculated as ratio of number of selections to the number of students registered at the institute for last 5 years will be required.
- (g) Institute providing Special Scholarship for girl Students for last 5 years will be required with evidence.
- (h) The bidding agency must have its own experienced teaching staff and should have rigorous selection criteria for hiring of their teachers. The details of those teachers along with their brief profile and credentials will be provided who will be engaged for providing online classes to the students of Vigyan Jyoti.
- (i) The bidding agency should have its own technical Know-how on conducting live online classes. Evidences of expertise will be provided by the bidder.
- (j) The bidding agency should have its own testing and test analysis platform that is readily available to the students. In addition to this it should have its own platform for analytical feedback to the students.
- (k) The bidding agency should have its own study material that is constantly updated according to the changes in various competitive examinations.
- (l) Financial strength & financial background for last 5 years will be required and certified copies of Final Accounts will be obtained, wherein the Annual turnover for last 5 Years and net profit before tax for last 5 years will be provided duly certified by Chartered Accountant/ Cost Accountant .
