ACTION TAKEN BY NVS, RO, PATNA

- a) Met the DC – Cum- Chairman, VMC at his residence office on 13.08.2019 evening. Apprised about the functioning of JNV, Sahibganj and raised the issue to shift the private building from Navodaya campus as girls are residing in the premises and our system cannot compromise with their safety and security, so the shifting of families are very-very urgent and the area has to be vacated to develop the play field, which was still pending due to encroachment.
- b) Did the meeting with staff and students separately and instructed/ informed them about the new initiatives of the NVS for the welfare of students/ staff. The staff members promised for the improvement of their performance and students assured to utilize the opportunities of NVS in true spirit.
- c) The Principal has been instructed to be serious about the studies of the students and their presence.
- d) The Principal has been advised to be in touch with the DC/ district administration and get the embankment for the NALA which is eroding the land of the vidyalaya and threat to safety of the students with the support/ help of district administration.
- e) Cluster Incharge Asstt. Commissioner, NVS, RO, Patna is being directed to be vigilant on the movement of Principal and check the status, attendance of students & staff and academic activities on regular intervals.
- f) The GM (Const), NVS, HQ has also been apprised about the left out work of construction agency HSCL and requested to allot the work to another construction agency if HSCL is not willing in completing the left out work.
- g) JE has been instructed to prepare estimate to repair the damaged boundary wall.
