Told to put '1' against the name of party nominee using violet sketch pen

TRIBUNE NEWS SERVICE

CHANDIGARH, JUNE 7 Singed by rejected votes in the 2016 Rajya Sabha poll, leading to the victory of BJP-supported Subhash Chandra, the Congress seems to be taking no chances this time.

The party held a training session for its MLAs at Raipur's Mayfair resort today where the procedure of Single Transferable Vote was discussed. The session was presided over by Chhattisgarh CM Bhupesh Baghel, former CM Bhupinder Singh Hooda, Congress Haryana in-charge Vivek Bansal and Gujarat's Rajya Sabha MP Shakti Singh Gohil. Hooda joined the MLAs today.

An MLA said that the party MLAs wouldn't cast second-preference votes. They were told to put '1' against the name of Congress candidate Ajay Maken while using the violet sketch pen provided by the Returning Officer.

No other pen or pencil or ball pen could be used. "No whip could be issued for the

It is learnt that the BJP has called its MLAs and Independents to gather at a private hotel near Chandigarh at 4 pm on Wednesday.

Rajya Sabha poll as anti-defection law is not applicable," said a senior MLA.

There is an open ballot system in Rajya Sabha poll. The Supreme Court in its judgment dated August 22, 2006, in the matter of Kuldeep Nayar vs Union of India and Ors observed that "the contention that the right of expression of the voter at an election for the Council of States is affected by open ballot is not tenable, as an elected MLA would not face any disqualification from the

membership of the House for voting in a particular manner. He may at the most attract action from the political party to which he belongs."

Instructions issued for Rajya Sabha voting by Returning Officer RK Nandl were also discussed during the session.

During the 2016 Rajya Sabha poll, 14 Congress votes were declared invalid. While one ballot paper was left unmarked, one was rejected as it was shown to another MLA and 12 ballots were

marked with a pen other than that provided by the returning officer. It led to the victory of BJP-supported media baron Subhash Chandra.

"We were told that the ballot has to be shown to the authorised agent of the party," said an MLA of the party. Showing the marked ballot to anyone other than the authorised agent will make the vote invalid in the Rajya Sabha poll. Not showing the ballot paper to the authorised agent will also render the vote invalid.

# Yoga, golf, walks at Raipur resort

ROHTAK, JUNE 7

The Congress MLAs from Haryana, who are lodged at Mayfair Resort in Raipur, the capital of Congress-ruled Chhattisgarh, are cooling their heels in the lap of luxury. The MLAs were dispatched to the far-off location ahead of the election for two Rajya Sabha seats from Haryana apparently to prevent the possibility of poaching, though the party leadership maintains that they have been sent to attend a training session.

The daily routine of the MLAs comprises morning walk, yoga sessions, taking lunch together and holding discussions in small groups in the evening. A few MLAs also play golf at a sprawling 18-hole golf course which forms part of the resort.

"We are on a compulsory outing. We enjoy top-class facilities at the resort, but are not supposed to leave the premises without prior permission from the office of Chhattisgarh Chief Minister," an MLA told *The Tribune*, requesting not to be named.

The Congress MLAs are

cooling their heels at the resort along with sitting Rajya Sabha MP Deepender Singh Hooda, Congress nominee for the upcoming Rajya Sabha election Ajay Maken and party in-charge of Haryana affairs Vivek Bansal.

"Chhattisgarh Chief Minister Bhupesh Baghel has personally visited us twice. A few ministers also come to the resort and chat with the senior leaders," says the MLA.

The Congress high command has asked Baghel, along with Congress Himachal Pradesh in-charge Rajeev Shukla, to oversee the Rajya Sabha election in Haryana. Haryana Congress leaders maintain their MLAs are loyal and firm and there is no chance of poaching, horse-trading or cross-voting.

Apart from keeping its flock together, the Congress leadership is also banking on INLD MLA Abhay Singh Chautala and Independent MLA Balraj Singh Kundu to abstain from voting.

# Dushyant withdraws case against Anil Vij

HISAR, JUNE 7

The criminal defamation case filed by Deputy CM Dushyant Chautala against Home Minister Anil Vij has ended after the former withdrew the case in a Hisar court during a hearing yesterday.

The counsel for the Deputy CM had filed the application to withdraw the case of criminal defamation in the court during the hearing. The court of Judicial Magistrate (First Class) Anterpreet Singh dismissed the case as withdrawn. Dushyant had filed the case against Vij, who is now Home Minister, on July 7, 2018. Dushyant, an INLD MP at that time, had filed the case against Vij, (the Health Minister in the earlier BJP government in Haryana) for calling him a drug addict.

Dushyant had filed the case against Anil Vij on July 7, 2018

The row had erupted when Dushyant had alleged irregularities in purchases in the Health Department, which was headed by Vij at that time. Reacting to the allegations, Vij retorted that the INLD leader (Dushyant) had started taking drugs and should go to some rehabilitation centre. Dushyant filed the criminal defamation case under Sections 499 and 500 (defamation) under the IPC against Vij. — TNS

# Policy to regularise sub-division of plots within MC limits ready

TRIBUNE NEWS SERVICE

KARNAL, JUNE 7

In a major relief to the residents living in the municipal limits, the state government has prepared a policy which will not only allow the owners to get their plots regularised that they had divided illegally, but also permit the regularisation of the fresh sub-division of the plots located in the planned scheme developed prior to 1980.

The Principal Secretary, Haryana Urban Local Bodies has issued a letter in this regard, saying the government has prepared a policy under Section 398 of the Haryana Municipal Act 1973, and Haryana Municipal Corporation Act 1994 to

regularise the illegal sub-division of the plots/permission for the sub-division of residential plots in town planning schemes, rehabilitation schemes, Improvement Trust schemes situated in the municipal areas of Haryana. The policy is expected to be implemented from June 12 and the duration to get the sub-division regularised for six months, said Naresh Narwal, Commissioner, Karnal Municipal Corporation.

Presently sub-division building plans are not passed due to which residents living in large areas have either divided their plots illegally or are waiting for policy for the sub-division of plots. They had raised this demand on several occasions in front of the CM.

With the increase in the density of the population in the municipal areas and also the rise of demand for homes, the original allotted plot got sub-divided illegally by the owners concerned, he added. "In view of the demand received from public, there is a need to regularise these illegally sub-divided plots and also permit plot owners to rationally sub-divide the originally allotted plots," said the Commissioner. The applicant has to file application after filling a proforma in the office of Commissioner. Form A is for regularising already divided plots, while form-B is for the fresh regularisation of the division of the plots.
