No.:16-14/2016-NVS (Comm.)

30th December, 2016

Dear Navodayans,

अंतः अस्ति प्रारंभः As one year ends, a new one starts. I would like to convey my thanks and gratitude to the entire Navodayan fraternity for rendering relentless services in making JNVs campus the vibrant centre of intellectual, cultural and co scholastic activity that it is all year around. It's only your élan which makes our residential set up a home away from home for our beloved children.

A new year ushers in many opportunities which brings in dreams of happiness and vision of hope and further kindles the purpose of life and collective commitment to excel in teaching, learning and service to our community. With this comes the firm resolution to achieve desired results and meet deliverables.

Let's prepare for this new year with positivity and glee so that harmony reigns amongst all the school community and we may all work together to aid our children to achieve the success they pursue so that no one is left behind,

सः रक्षतु मयानुरक्तां सर्वान् May he protect everyone, I care for.

God speed.

Wish you a very happy new year 2017.

(Bhiswajit Kumar Singh)
