D.O.No 10-84/2013/NVS(SA)/76

Dated: 10.10.2016

Dear Sir/Madam,

Samiti has issued detailed guidelines for stopping ragging and bullying vide circular F.No 10-84/2013-NVS(SA) Dated 17-6-2014 and F.No 10-84/2013-NVS(SA) Dated 16.03.2015. In spite of these circulars it is brought to the notice of Samiti that in few Vidyalayas senior students are troubling junior students by some kind of ragging and bullying creating disturbance in the vidyalaya in both academic activities and safety and security. News appear in news media. Parents and local community also get involved in highlighting news in the newspapers. Once the situation becomes uncontrollable Vidyalaya takes the help of district administration and Regional office but proper action is not taken to stop such activities.

To keep vidyalaya ragging/bullying free following actions are suggested.

- 1) Every JNV should constitute an anti ragging committee. Names of members and their contact numbers must be displayed every where in the school premises and on vidyalaya website.
- 2) Sentinels/Monitors should be appointed from students who will be the keen observers and they should be trained for managing risky situations. They must report the cases of bullying in a non threatening/polite manner.
- 3) Once the matter comes to the knowledge of Principal, it should be got inquired by the anti ragging committee of the vidyalaya immediately to establish whether it is a case of ragging or not.
- 4) Once established in extreme situations case has to be registered with local Anti ragging call centre/CBSE Anti ragging call centre besides lodging complaint in local Police station, intimating the case to District Education Officer and District Magistrate.
- 5) Identify and counsel the victim so that he feels safe and knows that authorities are with him and action will be taken on his complaint. Victim may be medically examined if required. The identity of the Victim should not be disclosed.
- 6) A report of the anti ragging committee along with action taken report may be sent to Chairman VMC, DEO under intimation to RO and HQ and CBSE. The report should have the following details.
 - a) Details of investigation.
 - b) Conclusion of investigation.
 - c) Members of Investigation Team.
 - d) Details of punishment to be awarded for the Culprits-if any etc
 - e) Anti ragging Committee with signatures of the Committee.

10/10/16
10/10/16

f) In other cases actions suggested vide circular dated 16-3-15 should be taken depending up on the gravity of misconduct.

All efforts must be made by the Principal, Vice Principal and staff to maintain ragging free atmosphere in the Vidyalaya.

Over and above, in case of ragging/bullying, resulting in physical injury to students, action including prosecution of concerned students may be initiated immediately. It will be the responsibility of AC(Cluster) to expedite such cases, within not more than a week.

With regards

(Bishwajit Kumar Singh)
COMMISSIONER
