F.No 6-7/2017/NVS(SA) 152

Dt 8-1-2018

To,
The Deputy Commissioner,
Navodaya Vidyalaya Samiti
All Regional Offices.

Sub: Maintenance of various equipments in functioning state in JNVs

Sir/Madam,

Samiti has sanctioned funds to JNVs for purchasing essential equipments and furniture every year. Vidyalayas have purchased costly essential equipments such as Chapati making machine, Steam Cooking system, RO water purification plant, Photostat machine etc. Recent AG Audit has observed that Chapati making machines in JNV Samastipur, Saharsa and Muzaffarpur are kept in non functional state and took it seriously.

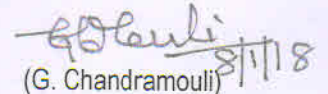

It has also come to the notice of samiti that in few JNVs costly and essential equipments are not in use due to various reasons causing lot of inconvenience to the students and staff and it is a big financial loss to samiti. These items cannot be written off before completion of their life span.

In the view of the above all principals are hereby instructed to keep all such costly equipments always functional/in use for the benefit of students by having AMC. Responsibility will be fixed to Principals who fail to keep the equipments functional and it will be viewed seriously. As for as furniture items are concerned timely repairs will enhance their life span and safe use.

You are requested to circulate this among all JNVs and issue specific directions to panel inspection team and audit team to check availability and functioning of all equipments every year in every JNV and take immediate corrective action under intimation to this office.

This issues with the approval of the competent authority.

Yours faithfully,

(G. Chandramouli)

Asstt. Commissioner (SA)
