Mental well-being of students during and after COVID-19 outbreak

Dear Madam/Sir,

In the wake of the outbreak of the COVID-19 pandemic and the country-wide lockdown following it, apart from focus on continuing education on the academic front, mental well-being of students is also of utmost concern. To monitor the mental health issues of students and to facilitate providing of support to address the mental health and psychosocial aspects during and after COVID-19, Smt LS Changsan, Joint Secretary (Institutions), MHRD, is tasked to coordinate with institutions (both in Schools and Higher Education) and States & UTs. Assistance of experts including Child and Adolescent Psychologists and others in the field of education may be taken. Action taken should be informed to the undersigned on a regular basis.

Regards,

Yours sincerely,

(Amit Khare)
